› Folders (562)		My name is Judy, and I'm 19 years old. I'm a computer engineering student at New York University. I live in New York, but I'm from Seattle. My parents live there. My mom is a teacher and my dad is a taxi driver. My mom works at a university. My dad works for the Seattle Yellow Cab Company. My brother Harry is 21, and he's also a student. He goes to film school in Los Angeles. My favorite food is pizza. I love Italian food, but my brother hates it. He likes Chinese food.
